The screenshot shows the IBM Watson Analytics website. At the top is the IBM logo and a search bar. Below the navigation bar, the main heading reads "Analytics made easy". The subtext states: "Predictive analytics and data visualization built for you. Analyze your data in minutes on your own without downloading software." A red "Try it for free" button is prominently displayed. The background features a laptop screen showing a pie chart and a list of categories. The bottom of the page has a blue banner with the text "See what's new with IBM Watson Analytics and Planning Analytics." and a link to "Watch latest livestream recording".

The screenshot shows the IBM Watson Analytics website. The top navigation bar includes the IBM logo, a search bar, and links for Solution, By Industry, Business role, Blog, Community, Sign In (highlighted with a red circle), and Try it for free. The main content area features a large image of a laptop displaying a pie chart and the text "Analytics made easy". Below this, it says "Predictive analytics and data visualization built for you. Analyze your data in minutes on your own without downloading software." and a "Try it for free" button. At the bottom, there is a blue banner with the text "See what's new with IBM Watson Analytics and Planning Analytics." and a link to "Watch latest livestream recording".
